BROOKLYN OFFICE

New York, November 13, 2008

Dear and Honorable Judge Block:

Please accept my most respectful greetings and I hope that you have been well blessed by our God.

The purpose of this letter is to request you help finalize as soon as possible my situation, because I am ill and they did my (*space*). From September 28 until now I have not received any type of information from my attorney. That is why I request, with all due respect, that you expedite this matter as soon as possible as I am losing my eyesight. I request from the bottom of my heart that you have mercy and pity on me, as I have said in my previous letters.

As you know, I am a widow and my two sons are also in prison serving a lengthy sentence and my two grandsons, their children, are practically abandoned in Mexico and they are young, so that they need me and of course I need them, because they are the only family I have.

I know that my freedom is in your hands. My great sir, give me the happiness of spending the last days of my life with my loved ones, in my country.

I repeat that I have never left my country. I was born there, I grew up there, I married and became a widow and my entire case is about revenge by the persons who kidnaped my son and he was sentenced in my country to 50 years.

I wrote to you requesting that they investigate me in order to have full knowledge of my case.

There is a private investigator, William Acosta, his telephone is 347-723-8496. He investigated our case and he can give you information about it.

I feel that you are a good judge, fair, and that I why I dare request again that you have pity on me.

I would like to be sent back to my country as soon as possible.

I must request proof from you that I am incarcerated here in order to send it to Mexico and recover my pension. I have been unable to get this certification here.

I have not seen my lawyer since September 28 and I need to get in touch with him so that he will expedite my visit to an eye doctor.

I feel so depressed that I dare request that, should I have to serve a lengthy sentence,. it would be better if you gave me the death penalty.

I apologize for taking up so much of your time, but my situation is desperate. I have been abandoned here.

May God bless you and your family.

BROOKLYN OFFICE

Estimado y Honorable Juez Block
 Reciba Mis MAS Cordiales Saludos y
 espero este bien bendicido por nuestro Dios,
 son mis deseos.

El proposito de esta carta es con el fin
 de pedirle que me ayude a que mi situación
 se acabe lo mas pronto posible, porque estoy
 enferma y me hicieron mi desde el
 28 de Septiembre y hasta ahora no he recibido
 ningun tipo de informacion de parte de mi abogado,
 por eso le pido con todo respeto que usted apresure
 este asunto lo mas pronto posible ya que estoy perdiendo
 la vista, yo le pido con todo mi corazón que tenga
 misericordia y piedad de mi como le he dicho en
 mis cartas anteriores.

Como sabe soy una viuda y mis dos hijos
 tambien estan en prision cumpliendo una larga
 condena y mis nietos - hijos de ellos - se encuentran
 en Mexico, casi desamparados y son pequeños, por
 lo cual necesitan de mi y claro yo de ellos, pues
 son la unica familia con la que cuento.

Yo se que mi libertad esta en sus manos
 mi gran Señor deme esa dicha de pasar los
 ultimos años de mi vida con los mios, en mi pais.

Le repito que nunca he salido de mi pais
 ahí nací, me crí, me case y enviude y todo mi
 caso se trata de una venganza de las personas que
 secuestraron a mi hijo y lo sentenciaron en mi pais
 a 50 años.

Yo le escribí solicitandole que me investigara
 a fin de que tenga entero conocimiento de mi caso.

Hay un investigador privado William Costa, su
telefono es 347-723 8496 que investiga nuestro caso y
él puede informarle acerca del mismo.

Yo siento que usted es un buen juez, justo y
por eso me atrevo a pedirle de nuevo que tenga
piedad de mi.

Me gustaria que me repatriaran a mi país cuanto
antes.

Necesito solicitarle un comprobante de que me
encuentro recluida aquí a fin de enviarme a México y
recuperar mi pensión. Aquí me ha sido imposible obtener dicha
certificación.

A mi abogado no lo he vuelto a ver desde el 28 de Septiembre
y necesito saber de él a fin de que agilice que me vea
un oculista.

Me siento tan defraudada que me atrevo a pedirle que
se tuviera que cumplir con una larga condena mejor me
de la pena de muerte.

Lamento mucho ocupar tanto su ocupado tiempo, pero
mi situación es desesperante; aquí abandonada.

Que Dios le bendiga a usted y a su familia
